

CONFIDENTIALITY AT 42ND STREET

WHAT HAPPENS...
WHEN I TALK TO YOU
ABOUT PRIVATE THINGS?

KEEPING THINGS PRIVATE

Anything you tell your worker will not normally be passed on to anyone else outside 42nd Street (parents, carers or other workers) unless you tell us it is ok.

Sometimes workers share things you tell them with other 42nd Street workers to make sure that we can help you better. This is on a 'need to know' basis.

THE ONLY TIME WE MAY HAVE TO PASS ON THINGS YOU TELL US IS IF:

- We are worried you may seriously hurt yourself or someone else.
- You tell us that someone is hurting you or someone else.

WE WILL ALWAYS TRY TO TALK WITH YOU FIRST AND WE WILL SUPPORT YOU.
